JACK THE RIPPER (EVENING TOUR)

Night Tour prices from \$59 per person

In 1888, the first Sherlock Holmes story by Arthur Conan Doyle had just been published, in the crowded, poverty-stricken East End of London. All of a sudden terror grips the population of Whitechapel! Five women are butchered in the most grotesque fashion by the world's first recognised serial killer, Jack the Ripper. Re-trace the footsteps of this infamous killer through alleyways, derelict corners and Victorian pubs following a trail that some experts say leads to Queen Victoria herself! Your professional Blue Badge Guide will talk you through the suspects that sparked the biggest Whodunit of its time.
