- Choose your dates and itinerary
- Sit back and relax
- Perfect for two or a family group

With your comfort in mind, we have carefully hand-selected some of our best hotel bundles, and packaged with one of our marvellous tour guides who will be your private chauffeur for your own adventure on the Emerald Isle. Every day our chauffeurs translate their magnificent experience and wealth of knowledge into a holiday of a lifetime for a lucky private escorted traveller.

Focus on your own interests from Genealogy, spirituality or historic learning to modern pop-culture such as Star Wars and Game of Thrones. Many clients take a day here and there for golf or premium shopping. We have specific departures for these hotel packages, to keep costs and booking time manageable.

Itineraries

Your itinerary will be customised especially for you taking your preferences into account. If you'd like ideas for putting itineraries together, why not review all the coach tour programmes that we offer? These itineraries have been tested and refined through the years.

Hotels

All of the hotels will be chosen and reserved especially for you, depending on your interests and preferred routing. Your driver has an accommodation allowance and will make his own arrangements – at times he may stay in the same hotels and other times not.

Meals

A full breakfast in your hotel is included every morning. Lunch, dinner and snacks are not included. Your driver can recommend great places of different types along the way. He will have an expense allowance for his own meals; however, at times you may wish to invite him to eat with you.

Sightseeing Visits

Admission fees to visitor attractions are not included. Visits may be booked and paid for in advance. If you want the driver to accompany you, an admission ticket must be purchased for him.
