ZURICH DAY TOURING

Day Touring option from Zurich

Schluchsee

BLACK FOREST & RHINE FALLS

An excursion to Northern Switzerland and the Black Forest, one of the most attractive landscapes of Southern Germany. Along Lake Schluchsee you reach Titisee, the very heart of the Black Forest. You will receive a short introduction in how they bring those popular cuckoo-clocks to sing, then you will enjoy time at leisure. Perhaps you may wish to do a boat ride or enjoy the local food; the most-known speciality is the Black Forest Cake, made with cherry brandy. Driving through very impressive spruce forests passing by Lenzkirch you return to Switzerland. There you will stop to admire the Rhine Falls, Europe's largest and most spectacular waterfalls!
IMPORTANT: YOU WILL NEED YOUR PASSPORT FOR THIS TOUR (return journey via Germany)
