ENGELBERG EXPERIENCE: MT TITLIS RESORT

5 Days / 4 Nights Holiday Apartment Stay

Engelberg is an alpine town in central Switzerland. In the center is Kloster Engelberg, a 12th-century monastery. Trails weave up Mt. Titlis, and ski runs zigzag down, while revolving Titlis Rotair gondola lift leads to the summit, Titlis Cliff Walk suspension bridge and a glacial park. Trübsee, a glacial lake, lies nearby.

Engelberg is 1 hour 50 minutes by train from Zurich (via Lucerne) and 43 minutes from Lucerne.

The Mt Titlis Resort holiday apartments in Engelberg offer plenty of space in which to relax in one, two or three bedroom apartments. The large, bright living area with its open-plan kitchen is perfect for evening get-togethers with friends and family.

From the balcony or patio, you can enjoy sweeping views of Engelberg, Titlis and the surrounding mountain landscape. The apartments are all very-well equipped. Free WLAN is available in all apartments and buildings in the Titlis Resort.
