Viennese Wine & Heurige

Vienna is the only metropolis that grows enough wine within its city limits to make it worth mentioning. 700 hectares of Viennese vineyards leave their mark on the cityscape and its culture of pleasure. Wine growing has a long tradition in Vienna. White wines are grown in 80 percent of the vineyards, with the Wiener Gemischter Satz being a specialty. Nowadays, Vienna presents itself as a city with a lively wine scene. Viennese wine is enjoyed in the city's many bars and restaurants or on the edge of town in wine taverns that offer wine from their own vineyards and buffet tables piled high with home-made delicacies.
