Modern Vaduz, Liechtenstein

LIECHTENSTEIN

The Principality of Liechtenstein

The House of Liechtenstein is one of the oldest noble families in Europe and a very successful entrepreneurial family! The Princely Art Collections are among the most-important private art-collections in the world and encompass major works of European art over four centuries.

Vaduz Castle is the residence of the Princely Family. Visible from far-away and yet close enough to touch, the famous landmark is perched on a rocky terrace above Vaduz, accessible by a romantic footpath. If the blue-red flag with the golden crown flies above the Castle, the Prince is at home. See Vaduz for its culture, gastronomy, the beautiful outdoors, festivals and unique way of life. A one-night stop just doesn't do Liechtenstein's many attractions justice!
