HAUSER'S CHOCOLATE EXPERIENCE

The tour takes you into the production processes of the famous Hauser confectionary house. Start your tour with a video explaining the chocolate making process. Afterwards you will be guided to the production area, where you will see the pastry chef in action - who will offer you different chocolates and mixtures for tasting. Return to the chocolate shop for a chocolate tasting. Receive a chocolate gift as a memento of your visit.

HAUSER'S HOT STONE DINNER

A fun and healthy dining experience at the Hauser. A entree of your choice will be served before the hot-stone dinner. Cook the meat or seafood and the vegetables on your hot stone and finish off your presentation with sauces, rice and potato wedges. Enjoy this 'hands-on', creative dining-experience. For desert, choose from the home-made cake and ice-cream, fruit salad, or fresh berries. 200ml of house wine, together with 'Moritz' still or sparkling table-water are included.
