

THE GROUP TRAVEL DIVISION OF HOLIDAYS ON LOCATION

Education, Affinity and Business Group Operations

Our two specialised group travel divisions, Global Study connections and Group Travel Synergy, deliver a comprehensive suite of services to the Education, Special Interest and Incentive Travel sectors, with programs customised to the individual requirements of our clients. We understand what makes a successful tour program and work hard to deliver the required outcomes.

Over our years of operations we have established strategic partnerships with teams of thoroughly professional service providers around the globe. This close collaboration has resulted in the implementation of well-defined procedures, attention to detail and an uncompromising dedication ensuring that all elements of the program are delivered as promised.
